YOUTH INTERN PROGRAM

CITY OF
MONROE

**FIRE
DEPARTMENT**

**Learn,
Train,
Lead!
Become
One
of Us.**

Lights flashing, sirens blaring, hearts pounding — this is where courage lives and leaders are made. Join us and discover the thrill of the fire service up close and personal.

Learn, Train, Lead, Repeat

As a Youth Intern, you'll dive headfirst into the world of public safety. This isn't a sit-back-and-watch gig — you'll be:

- ✓ Assisting with training exercises
- ✓ Checking and maintaining real firefighting equipment
- ✓ Working shoulder-to-shoulder with local firefighters
- ✓ Participating in specialized, intern-only trainings
- ✓ Supporting community safety events

Every month you'll sharpen your skills — and over two years, you'll build the confidence, leadership, and technical know-how to stand out in any crowd.

Why just watch when you can JOIN IN?

The Monroe Fire Department's Youth Internship Program puts you right in the middle of the fire service world — learning, training, and growing with real firefighters and emergency responders. If you're age 16-18, and ready to roll up your sleeves, this two-year adventure is packed with excitement, skills, and leadership opportunities you won't find anywhere else. The city is our playground, bring your game!

COMMUNITY
COMPASSION
PRIDE

Your Journey Starts HERE!

Year 1: Get Your Hands Dirty

Learn the ropes by jumping into five key areas of fire service

- Operations & Safety
- Equipment & Apparatus
- Fire Suppression Basics
- Rescue & Extrication
- Community Risk Reduction

You'll train, maintain, and assist, gaining experience and memories along the way.

Year 2: Make It Official

Time to level up! Start working toward your official Wisconsin Firefighter 1 and Emergency Medical Responder certifications. Get serious, get skilled, and get recognized as part of our crew.
